NOTICE OF MEMBERSHIP DUES CHANGE
EFFECTIVE APRIL 1, 2021

January 27, 2021

Valued YS Chamber Member,

My name is Alexandra Scott, Interim Director of the Yellow Springs Chamber of Commerce. Hopefully, you received our email newsletter in November 2020 that included my self-introduction. If my name isn't familiar to you, please feel free to reach out and say hello! I am here to serve, and available to help if you need me.

We hope you will agree that a YS Chamber membership has always been a great value with a wide range of benefits. The YS Chamber's Membership Dues have always been much lower than average Chamber dues and have remained so, without increase, for more than a decade.

In 2020, our plan to update our membership structure with a measured increase in dues was put on hold by the COVID-19 pandemic. We continue to work hard to be a competitive and effective resource for our members and community. Now, with a new year and a new direction for the YS Chamber, we're ready to announce our updated membership structure. Full details are available on the back of this letter and on our website.

If you're interested in saving on your 2021 Chamber Membership Renewal, you may renew at your current rate by March 31, 2021. You do not need to wait for an invoice to renew online at yschamber.org/join. However, if you require an invoice for payment or have any questions, please contact us and we'll be more than happy to assist you.

The YS Chamber is continually grateful for its members and partners. We hope that you will continue to see the value of your Chamber Membership and understand the potential for increased value that this change will create. For more details about the benefits you're entitled to as a Chamber Member, please visit our website or contact us.

On a final note, if you haven't been receiving our Chamber Newsletter, you may sign up on our website or contact us to be added to our email list. In addition to Chamber news, our newsletter contains important information relevant to our member businesses, including funding opportunities, education, local news, and more, so you won't want to miss it!

Thank you, as always, for your support of the Yellow Springs Chamber of Commerce.

With Gratitude,
Alexandra E Scott
