

Chamber Board Meeting Member Notice

Did you know? YS Chamber Members have always been welcome to join Chamber Board meetings! Since meetings have been on Zoom during the pandemic, it's much easier for members to join in to listen or participate. Meetings take place on the second Thursday of every month via zoom. Please see below for information about how to join.

To attend, please request zoom meeting info by emailing info@yschamber.org at least 24 hours before the meeting.

Requirements:

- Participants must use real name (no phone numbers/fake names) when joining and for the duration of the meeting.
 - If your zoom account is not attached to a name that has registered for the meeting, you will not be admitted.
 - For information on how to change your Zoom name, please visit support.zoom.us.
- Must either have video enabled, a photo of your face, or be willing to identify yourself verbally.
- Mute your mic when you are not speaking.
- Please be respectful – questions are welcome, but please use chat or the “raise hand” feature if someone is already speaking.
- Please keep language appropriate and stay on-topic when speaking.
- Members must understand that Executive Sessions are board and staff only and that they may be asked to disconnect if one is required.
- For security, anyone found in violation of these guidelines may be muted and/or removed from the meeting.

Active membership keeps Chambers of Commerce and communities strong. We appreciate your involvement! Even if you cannot attend a meeting, if you have any business-related announcements to share with the board, or questions, concerns, or feedback for the Chamber, you may contact us at any time.

Thank you for your membership and support of the YS Chamber!
